Your own Hoshin here

Hoshin of the next 25 years of Lean “Real Stuff”

Hoshin for the next IT Conference Organisation “Exercise”
Exercise 1: Toyota Europe IT Conference 2017 organisation
User management for eHoshin
Exercise 2: Lean2040 Contribution

Hoshin: Lean 2040

1. Expansion of Lean to New Organisation Types

Target:
- Create a catalogue of applications of Lean
- Create a model to apply Lean to new organisation types
- Demonstrate the model with new organisation types
- Make improvement suggestions on existing implementations of Lean based on the model

Leader: Pierre Masai
