A Hard Day's Night?

- Released 6th July 1964, 1st of 5 films.
- 16 weeks to produce, 7 weeks to shoot.
- \$500K to make, Box Office \$10 million.
- Film/Song was inspired by Ringo after calling an all-night recording session "a hard day's night."..
- The word "Beatles" is never spoken.
- Ringo's best acting scene was the result of a massive hangover..
