

Core Leadership Skills: The Key Behaviours Required by Leaders to Support Lean Thinking & Practice

with David Marriott, Snr Lean Coach – Lean Enterprise Academy

7th April 2025

2 Paddington Village, Liverpool L7 3FA

Background

Leaders are the single biggest influencing factor in creating the right environment to make a "Lean Transformation" happen. Their role in motivating people through the consistent application of "Core Leaderships Skills" is critical to ensure the right behaviours and culture are developed.

Objectives

The purpose of this workshop is:

- To explain and understand the "Core Leader Skills" necessary to lead a Lean Transformation.
- Improve your understanding in diagnosing and following up on the required behaviours needed to motivate people and make change successful!
- Learn how to trigger the use of Core Leadership Skills through developing and visualising your own daily management routines.
- Develop and improve how you interact with others during your own management routines.

Related Materials
